

A beautiful area to camp and learn more about sugar cane with our tours. As we have travelled a lot ourselves with our large family in a caravan, we want to offer families an affordable place to stay and have fun while relaxing on our property.

OH DEERE FARM STAY AND SUGAR CANE FARM TOURS

45 MINUTES FROM MACKAY
AND PROSERPINE

Call Karinda: 0419 873 909

Come and have a drink or chat in the afternoon/evening. If the weather is good and no fire bans are in place or risk to the cane, we have a fire pit. Ask about our John Deere replica collection if interested, you may be able to view it.

Karinda and Dale Anderson

A beautiful farm stay with an area to camp and learn more about sugar cane with our tours (subject to weather, time of year and work on the property). Ask on arrival if you are wanting a tour.

We are a working cane farm and have flat grassy areas suitable for all types of vehicles, tents, camper trailers, caravans, mobile homes and swags.

The camp site is a large area around the main homestead with powered and unpowered sites available all year round. We have toilet and shower facilities plus a washer/dryer at a small extra cost for your convenience. We also have a full camp kitchen and BBQ area available to use.
